

Organic Balloon Garland Guide

We create custom-design balloon décor around the needs of your event, creating unique shapes, adding accent colors and more, helping you create that WOW! effect at your events. We'll take care of the décor, and promise it'll leave a lasting impression on all those in attendance.

WHAT IS AN ORGANIC BALLOON ARCH?

An organic balloon arch is a specialty balloon arch and can vary in size, style, complexity, and price. Balloons and sometimes other items are organically placed throughout the piece. When organic decor is put together well, there is an elegant design that comes together and can really set the mood of an event space.
